PRODUCT: RIFLESSI FINITURA RY

Compilation Date: November 2004

7. HANDLING AND STORING

- HANDLING

Work according to good pratices and observe safe measures generally valid for chemical product.

- INDICATION AGAINS FIRE AND EXPLOSION: See section n. 8

- STORING CONDITION Keep in aerated spaces. Keep from freezing and out of range temperature (See data sheet)

- STORING STABILITY

The product is stable in normal condition. Temperature may slightly vary the viscosity

8. PERSONAL PROTECTION / EXPOSURE CONTROL

- EYES PROTECTION : Wear suitable glasses to avoid squirts in the eyes
- HANDS PROTECTION: Wear protecting gloves.
- RESPIRATORY PROTECTION : Any particular respiratory equipment isn't necessary for the normal use of the product.
- EXPOSURE CONTROL There aren't substances with limit of exposition.

9. CHEMICAL AND PHISICAL DATA:

- Physical Form	
- Smell - pH - Flammability - Comburent power - Specific weight - Viscosity	: gelatinous : not significant : 8,5÷9,5 : not flammable : not comburent : 1,45 ± 2% Kg/l : 30000±10%

10. REACTIVITY AND STABILITY

The product is stable under normal temperature condition. It doesn't give dangerous exotermic reactions

According to Decree 7 september 2002

11. TOXICOLOGICAL INFORMATIONS

It refers informations about the ingredients of the product...

WATERY DISPERSION OF A VINILIC POLYMER: LD50 (oral) > 5000 mg/Kg

WATERY DISPERSION OF AN ACRILIC POLYMER: LD50 (oral) > 5000 mg/Kg Skin irritation (Rabbit) : Practically not irritating Eye irritation (Rabbit) : Inconsequential irritation

12. ECOLOGICAL INDICATION

There aren't substances classified dangerous for aquatic and terrestrial environment and for the ozone layer.

13. DISPOSAL CONSIDERATIONS

Respect national laws. The product may be burnt in authorized plants.

14. TRANSPORT INFORMATIONS

The products isn't classified dangerous according to transportation laws.

15. REGULATORY INFORMATIONS

The products isn't classified dangerous according to directive 1999/45/CE of 31st may 1999

16. OTHER INFORMATIONS

The data reported are based on our actual knowledge, don't represent any guaranty of the characteristics of the product and don't justify any legal contractual relation.
